**ENGAGE**

What is your primary feeling as you read about the end of the world?

What kinds of idols do you see on the rise in our culture? Aer there any that you are struggling with?

Understanding that these judgments of God will be poured out on unbelievers, how do you respond? What is your heart telling you to do?

What does a healthy fear of God look like?

In what areas of your life do you fail to revere God and treat Him as holy?

**CHALLENGE**

This week's challenge: **Examine the relationships that you have with people in your life right now. Who is your life needs to hear the truth from God's Word?**

**Remember: You are not responsible for the results, you are only responsible for telling others... the results are in God's hands.**
